Grossberg Company LLP and Revere Bank successor to Monument Bank are proud to present the

Sixth Annual Montgomery County Business Hall of Fame Induction Ceremony

What is the Montgomery County Business Hall of Fame? The Montgomery County Business Hall of Fame (MCBHOF), co-founded by Grossberg Company LLP CPAs and Revere Bank successor to Monument Bank, is a celebration of individuals who have made an impact on the Montgomery County Business Community.

It is a distinct pleasure to honor five business leaders who have enriched the corporate climate of Montgomery County: Kevin Beverly, President & CEO, Social & Scientific Systems; Norman Dreyfuss, Executive Vice President, IDI Group; Terry Forde, President & CEO, Adventist HealthCare; Cidalia Luis-Akbar, CEO & Owner, M. Luis Construction Co., Inc.; Natalia Luis, COO & Owner, M. Luis Construction Co., Inc.

Why support the Montgomery County Business Hall of Fame? All net proceeds from the MCBHOF will benefit the scholarship programs at The Universities at Shady Grove (USG), the University System of Maryland's regional education center that brings 80+ undergraduate and graduate degree programs from nine Maryland public universities directly to Montgomery County. The same type of vision that led to the creation of USG in the fall of 2000 — to do something truly unique and extraordinary — is the type of vision our honorees all share.
