**Montgomery County Business Hall of Fame Announces 2014 Honorees
to be Inducted at Third Annual Event**

*Five Montgomery County Businesspeople to be Honored at Upcoming Induction Ceremony
October 29, 2014 at The Universities at Shady Grove*

BETHESDA, MD – August 19, 2014 – [Grossberg Company LLP \(Grossberg Company\)](#) and [Monument Bank](#), founders of the Montgomery County Business Hall of Fame (MCBHOF), announce the 2014 honorees who will be inducted at the Third Annual MCBHOF event. The five honorees are best recognized for their consistent and relentless efforts to reach challenging goals for their businesses and their impact to the Montgomery County business environment as a whole. The event is scheduled to take place on Wednesday, October 29, 2014 at 11:30 a.m. at The Universities at Shady Grove (USG).

Since its inception, MCBHOF has raised a net over \$325,000 for the USG scholarship fund and this is continuing to grow impressively. The third annual ceremony will honor the following 2014 inductees into the MCBHOF: Mark Choe, Owner of Mark's Kitchen Restaurant; David Reznick, Co-founder of CohnReznick LLP; Annie Totah, Founder & President at AST Partnership for Brighter Tomorrows; Ola Sage, CEO at e-Management; and Dottie Fitzgerald, Vice President of Fitzgerald Auto Malls.

“We eagerly await continuing our tradition of success and having the business community support at our upcoming third annual Montgomery County Business Hall of Fame event,” says Lawrence Rosenblum, Partner at Grossberg Company. “We are delighted to welcome these impressive honorees this year, as well as the other County and community leaders who will be present to celebrate this new class of inductees, while giving back to help educate the future business leaders of Montgomery County.”

All net proceeds from the MCBHOF benefit the scholarship programs at The Universities at Shady Grove (USG), the University System of Maryland's regional educational center which brings nine Maryland public universities and more than 70 academic degree programs directly to Montgomery County. The same type of vision that led to the creation of USG - to do something truly unique and extraordinary - is the type of vision our honorees all share. Eun Yang, the morning co-anchor of NBC4 News will emcee the event. Ike Leggett, Montgomery County Executive and William “Brit” Kirwan, Chancellor of the University System of Maryland, will also be present and speaking at the ceremony.

“One again, Monument Bank is excited to partner with Grossberg Company. This event has been a long-term vision of Mr. Rosenblum's and he, as well as the rest of the committee who continue to work nonstop, have brought it to reality,” states Mr. H.L. Ward, President and CEO of Monument Bank. “We hope that the future leaders who obtain these scholarships will choose to work in Montgomery County and continue to live in the surrounding area.”
