**The 10th Annual Montgomery County Business Hall of Fame
to Honor Four Local Business Leaders**

The Montgomery County Business Hall of Fame (MCBHOF) luncheon will take place October 25th, 2022, to induct four local Business Leaders into the Hall of Fame. The luncheon begins at 11:00 am with networking at The Universities at Shady Grove Conference Center in Rockville, MD.

As always, event proceeds will benefit the scholarship programs at The Universities at Shady Grove (USG), Maryland's premier regional education center which brings together more than 80 undergraduate and graduate programs from nine Maryland public universities directly to Montgomery County.

At this year's induction ceremony, the MCBHOF will honor: Timothy Chi, CEO of The Knot Worldwide; Bonnie Fogel, Founder & Executive Director of Imagination Stage; Jeff Galvin, CEO & Founder, American Gene Technologies, and Haroon Mokhtarzada, Co-Founder & CEO of Truebill.

A lot has changed in the 10 years since MCBHOF began. The Hall of Fame has grown and transformed with Montgomery County's changing economy. And while some of our honorees are longtime business leaders, we are also adding younger people who have made it big in technology and consumer services in recent years. And that will continue as Montgomery County's tech community grows.

Since its inception, MCBHOF has supported more than 1,000 students and raised more than \$1.46 million for the USG scholarship fund through donations and the MCBHOF event. Sponsorship opportunities are available for this year's event. For more information, visit mcbushalloffame.com.
